# Acknowledgements

I would like to express my sincere gratitude to my mentors, Mr. Ken and my parents for the continuous support I have received during my journey in App Development and for their motivation, guidance and advices that helped me through.

# About Me

- Name: Kevin Johnson George
- Age: 19
- Education: Bachelor's Degree in Computer Science

# About My Internship Journey with Clevered

- It's been an amazing journey in learning lessons and concepts I've been interested in.
- Learning both front-end and back-end coding in this internship has been really educative and effective.
- It's been an enjoyable experience and the live sessions were entertaining .

# About App

- Virtual Desktop Assistant - Eve
- Requires an account to get access to the voice assistant.
- Performs tasks / services
- Uses voice commands

# How Do I Use The App?

- Sign in or sign up.
- Click on the 'Start' button and the system starts listening.
- Give commands in which the system will perform the required tasks accordingly.
